### BRANCH

Branch often wonders if he's the only sane individual in a town full of exuberantly happy Trolls. A reforming recluse always prepared for danger. Branch is learning to embrace his inner Troll so his true colours can shine.

### QUEEN BARB

Queen Barb is the bad-ass lead of hard rock. She can't stand pop music's endless catchy hooks, upbeat melodies and empty lyrics. As far as she is concerned, it is rock's time to shine again!

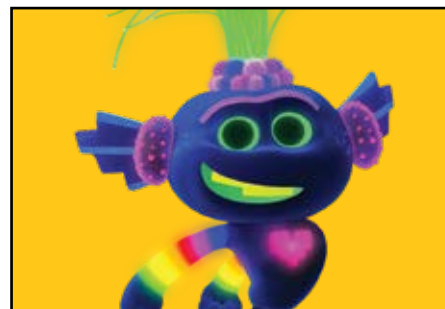

### TINY DIAMOND

Tiny Diamond is Guy Diamond's pint-sized offspring. Father and son have pretty much been inseparable ever since Tiny was born. He is a surprisingly nimble rapper, with a wide variety of hip-hop musical influences.

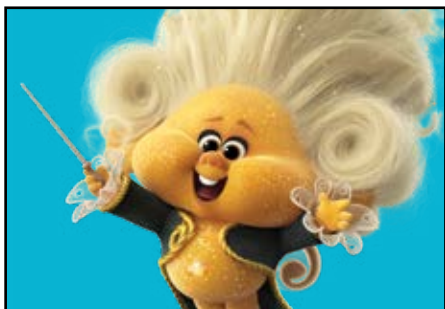

### GUY DIAMOND

Guy Diamond is ambitious, cheeky and just a little bit vain. His autotuned voice and propensity to shower everything and everyone with glitter makes him a great addition to any party.

### KING TROLLEX

King Trollex is the confident, kind and upbeat leader of the EDM loving Techno Trolls, a tribe of Troll mermaids who live underwater in a LED-lit digital fortress. These Trolls value peace, love and harmony and their hearts beat in sync to the music.

### DELTA DAWN

Mayor Delta Dawn is the leader of the Country Western Trolls, a tribe of Trolls who live in a burlap and calico watering hole in the middle of the Troll heartland called Lonesome Flats.

### COOPER & PRINCE D

Cooper is happy-go-lucky with a goofy grin plastered permanently on his face. He produces cupcakes in a VERY interesting way and loves crazy parties. Prince Darnell is Cooper's twin brother who he reunites with in Vibe City.

### KING PEPPEY

King Peppy is Poppy's dad. He is a brave leader with quick and inspirational words of wisdom.

### SATIN & CHENILLE

Satin and Chenille are the most fashion-forward members of Troll Village and help make it a hip place to live.

### SMIDGE

She is a fiercely loyal to Poppy. She's also one of the strongest Trolls and can pump major iron with her bright blue hair.

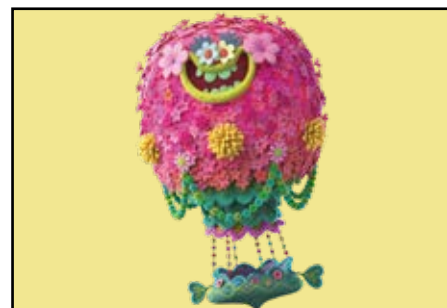

### DJ SUKI

DJ Suki creates the soundtrack of Troll Village and has the most chill personality of the whole forest. She has a big, empathetic heart and when her core principles are challenged, she'll stand up for what she believes in - like keeping a party going or making sure you don't harsh someone's mellow.

### FUZZBERT

Fuzzbert is an enigma wrapped in a riddle. He's a Troll that's made entirely of hair - only his two feet are visible and he communicates with other Trolls using grunts (which they all seem to understand just fine!)

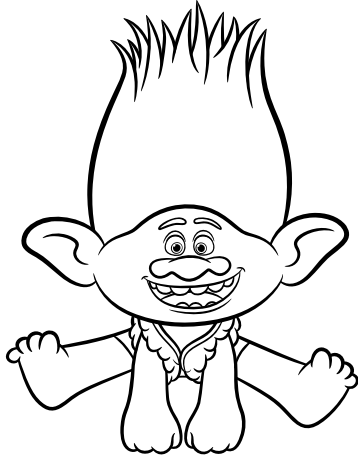

### SHEILA B

Queen Poppy and her friends travel in style on a sassy hot air balloon made completely out of flowers!

# How to draw a VIKING SHIP

## Atticus Van Tasticus

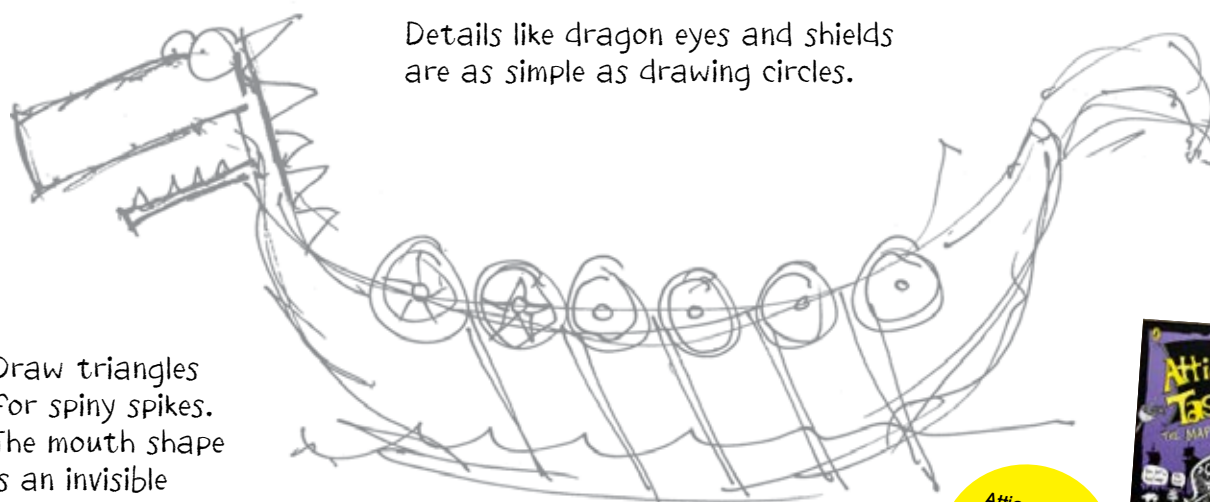

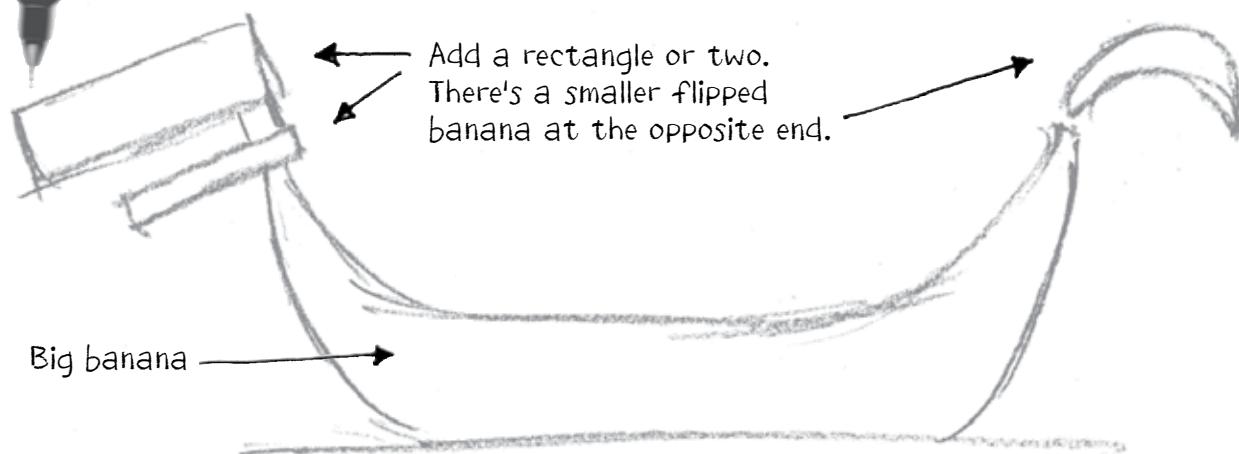

### WHAT YOU NEED

- ✂ 2b (or similar) pencil.
- ✂ Black (felt tip) pen.
- ✂ A scribbly mind.

Think of a Viking ship as a hand-crafted object. There's no right or wrong. Each ship is unique. Use your pencil to begin sketching scribbly and freely. Think of easy shapes that you can start with e.g. circles, rectangles, ovals or anything else you can think of.

I'm starting with a big banana for the hull of the ship.

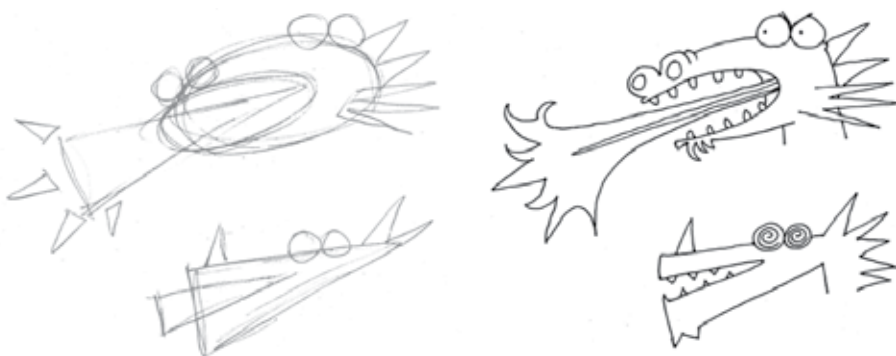

Draw triangles for spiny spikes. The mouth shape is an invisible rectangle.

Atticus Van Tasticus 2: The Map of Half Maps is out now!

Dragon heads can be as creative, realistic, abstract or cartoony as you wish. Play with your pencil and pen until you're in your happy place.

Your Viking crew are mostly made of scribbly circles and half circles with more scribble everywhere else. Add woolly clothes, plaits, weapons and other Viking stuff.

Helmets start as ovals. Divide in two then keep the top half. Add your details.

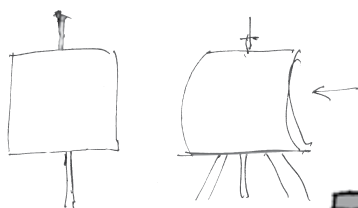

## TO FINISH

Place a new piece of paper over your scribbly drawing.

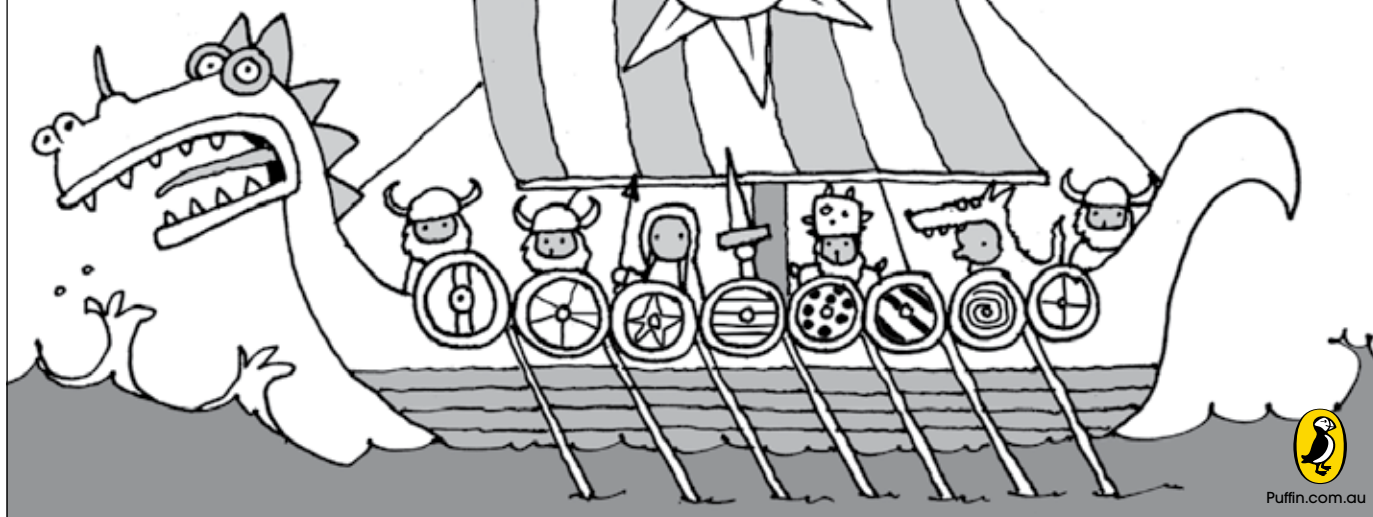

Trace through using your black pen for a clean, finished and ready for action

The sail is a square on a stick. Depending on which way your ship's travelling, imagine the wind bending the vertical lines left or right. Add stay ropes so that it doesn't fall down in a big storm. Decorate.

## VIKING SHIP

Fill the shields' middle circles with any pattern you like e.g. wooden boards or stars.

HOW FAST CAN YOU HELP SONIC CRACK THESE SPEEDY SITUATIONS?

**1** Sonic travels at 500km/h for four hours. How far does Sonic travel in total?

**2** Sonic sprints 1000 kilometres across the country. It takes him 20 minutes. He then cruises back at a speed of 100km/h. How long did Sonic's entire run take?

**3** Sonic leaves home and jogs for two hours. He stops for a snack and notices he has travelled exactly 100 kilometres. What was Sonic's average speed?

**5** Sonic collects 10 gold rings every hour that he runs. If Sonic is 150 kilometres from home, and was running at 75 km/h, how many gold rings does he have?

**4** Sonic runs in a straight line for two hours at 80km/h, then speeds up and runs another two hours in the same direction at 150 km/h before stopping. How far has Sonic run?

# HOW TO DRAW

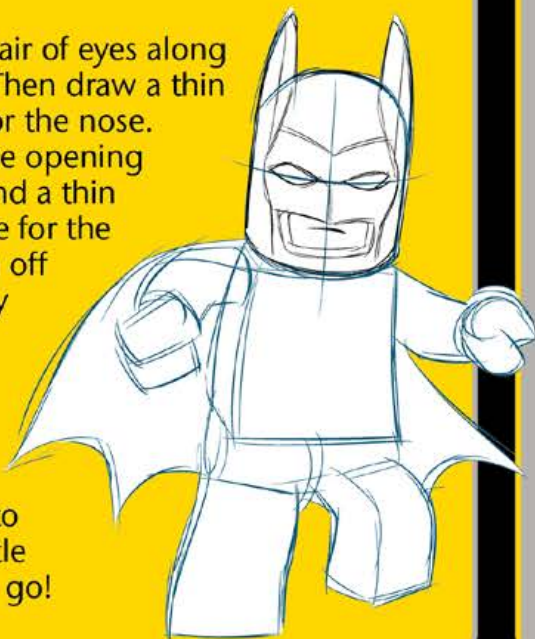

## STEP 1

### SKETCH IT OUT

Lightly sketch the form of LEGO Batman with a pencil. Add cross hairs on the head to mark the eye line and centre of the face.

### HEADS UP

First draw a pair of eyes along the eye line. Then draw a thin vertical line for the nose. Next, draw the opening of his mask and a thin horizontal line for the mouth. Finish off this section by drawing the full outline of his mask and the pointy ears. Don't forget to add all the little details as you go!

## LEGO BATMAN

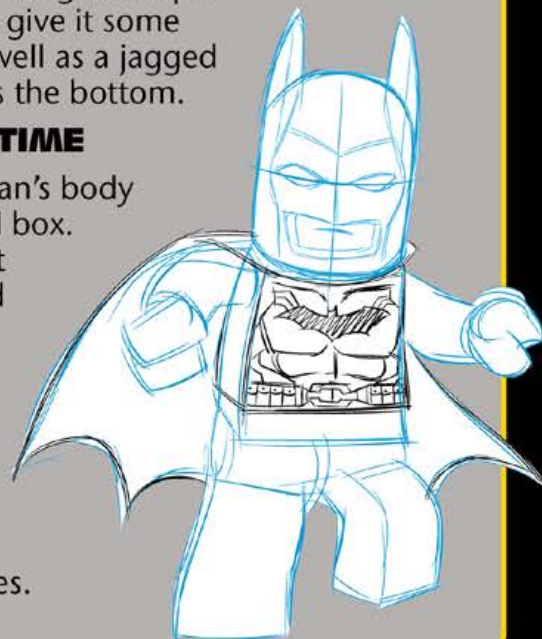

## STEP 2

### CAPED CRUSADER

Start by drawing the cape's collar, then give it some length, as well as a jagged edge across the bottom.

### MUSCLE TIME

Draw Batman's body like a cereal box. Add the bat symbol and chest lines. Then draw the lower torso lines, the belt buckle and the belt pouches.

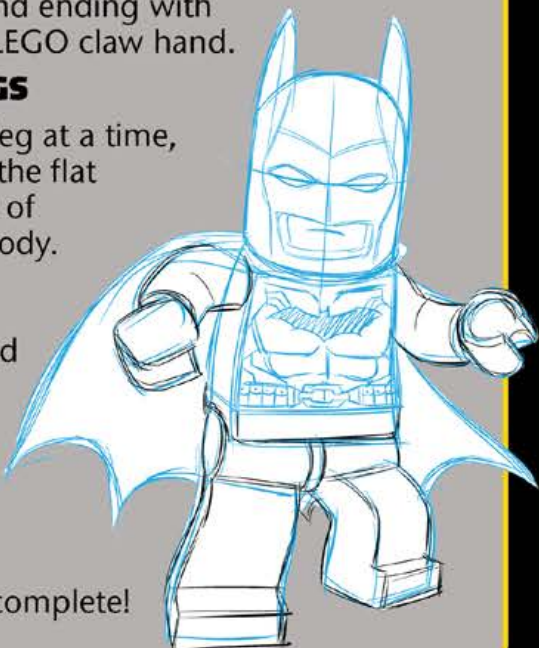

## STEP 3

### GET ARMED

Draw one arm at a time, starting at the shoulder and ending with the iconic LEGO claw hand.

### LEGO LEGS

Draw one leg at a time, starting at the flat midsection of Batman's body. For each, start with the rounded hip, move down to the bendy leg, and finish with the foot. Sketching complete!

## STEP 4

### THE COLOURS THAT GOTHAM DESERVES

Trace over all your pencil lines with a pen, cleaning up the lines as you go. Once the ink has dried, erase all the pencil marks. Now add some colour to bring this hero to life!
