The Benchmark Security Awards recognise Australia's leading IT Security leaders

The Benchmark Security Awards powered by iTnews and techpartner.news is a conference and awards program celebrating leadership in cyber security from a cross section of Australian business, including end users and tech partners.

For the first time, these two leading technology publications are coming together, highlighting the efforts of security end users and partners, making this event bigger, better, and more impactful than ever. This is your chance to be part of something truly special—so don't miss the opportunity to enter!

Partner entries: Security partner organisations will be awarded for their efforts to protect end customers, their assets and data, transactions, enhance security, ensure business continuity or boost an organisation's ability to recover from a disaster.

For **End users entries**, please enter using the form on iTnews.

The 2025 Benchmark Security Awards will be presented at a Gala Dinner and conference on the 6th November at Doltone House, Hyde Park, Sydney.

In order to judge the winners in each category, we would like to find out some information on the work that you do.

Please can you answer the 10 questions below to the best of your ability so we can share with the judges

Benchmark Security Awards agenda

3.00 Registration
3.30 Conference
5.30 Networking Drinks
6.30 Benchmark Security Awards
10.00 Finish

There will be an opportunity to purchase additional tickets to the event nearer the time.
