3 Trouble-Free
Migration and Use

- **Foxit PDF Editor** makes migrating from Adobe a cinch. Foxit helps you with enterprise-wide deployment and customization tools.

- **Foxit PDF Editor** offers a clear, user-friendly Ribbon-style toolbar – similar to the Microsoft Office user interface. This enables an intuitive user experience and quick adoption with a short learning-curve.

'**We are very happy** with Foxit PDF Editor because the product helps our employees to perform their tasks efficiently and professionally. After all, hardly anyone is trained as an expert in PDF editing, so ease of use is very important to us. Foxit delivered this very well.'

Bernd Gewehr - Head of IT at Voessing

4 Great Support
24/7. Live.

You decide how you want to contact Foxit Support: Choose between phone, chat, email, or tickets – all answered 24/7, by a real person with a quick turnaround time.
The built-in chat support function in Foxit PDF Editor enables you to directly address your issues without having to leave the application.

As a software company we believe in automation – but not in automated phone systems. With Foxit you won't talk to a machine and wait in line for hours, but you will get support from a real person.

'I have nothing but good things to say about the support we received from the Foxit PDF Editor team. They've been instrumental in helping us to use the software in the most efficient way to fit our needs.'

Dave Buttram - Director of Business Solutions at IMA Financial Group
