

*Innovate faster, migrate smarter
with AWS-funded services.*

Why Westcon?

- *An AWS distributor with AWS Migration Competency*
- *AWS-funded services available through our extensive reseller partner network.*
- *Obtain AWS services regardless of your current AWS capabilities.*

Supporting your cloud journey

AWS funded services available to cut costs on business case creation, migration planning, and professional services.

AWS Optimisation Licensing Assessment (OLA) program

AWS Migration Acceleration Program (MAP) program

AWS Optimisation Licensing Assessment (OLA)

Optimise software licensing and reduce cloud application costs by evaluating current licensing and usage, offering insights into savings and compliance improvements.

Benefits:

- ✓ Rightsizing resources
- ✓ Cost reduction
- ✓ Flexible licensing options
- ✓ Enhanced efficiency

AWS Migration Acceleration Program (MAP)

Speed up cloud migration with best practices, expert guidance, and resources. A comprehensive framework for evaluating and migrating on-premises workloads to the AWS Cloud.

Benefits:

- ✓ Expert guidance
- ✓ Cost-effective
- ✓ Tailored strategies
- ✓ Accelerated time to value

*Migrate to AWS with support
from Westcon's partner network.*

*Westcon can collaborate with AWS and your reseller
partner of choice to apply for OLA and MAP funding and
help deliver the services needed.*

Engage with Westcon to get started.
