DICKER DATA

Dicker Data (ASX: DDR) is an Australian-owned and operated, ASX-listed technology hardware, software and cloud distributor with over 46 years of experience.

Our sales and presales teams are experienced product specialists who are dedicated to helping you tailor solutions to suit your client's needs. As a distributor, we sell exclusively to our valued partner base of over 10,500+ resellers. We pride ourselves on developing strong long-term relationships with our customers, and helping them grow. This customer-first approach means we are proactive in engaging with our resellers and allows us to dynamically shift with changing market conditions, in turn helping to increase profitability. Dicker Data distributes a wide portfolio of products from the world's leading technology vendors, including Cisco, Citrix, Dell Technologies, Hewlett Packard Enterprise, HP, Lenovo, Microsoft, and other Tier 1 global brands. As the leading Australian distributor for many of these vendors, Dicker Data is dedicated to helping our partners deliver industry-leading solutions built on the world's best technologies.
