STRAWBERRY CHOC SANTAS

Make this super fun (and tasty) recipe with Victorian Strawberries!

Makes: 10

WHAT YOU NEED

- 1 x 250g punnet Victorian Strawberries – washed
- 2 tablespoons hazelnut spread
- ½ cup firmly whipped cream, (or beaten cream cheese)

WHAT TO DO

1. With an adult's help, carefully cut the strawberry calyx (green bit) off each strawberry in a straight line. This will be the base of your Santa.
2. Cut each strawberry tip off about ¼ of the way in – this will make each Santa 'hat'.
3. Place the hazelnut spread and cream into separate small piping bags.

TO ASSEMBLE

- Poke a hole in the centre of the Santa body (we used a chopstick to do this), and fill with hazelnut spread.
- Place calyx cut end (Santa's 'body') on a serving plate. Carefully top this with a little whipped cream, and pipe on 2 more hazelnut dots for eyes, and a tiny piece of strawberry for a nose.
- Top with Santa's 'hat' piece of strawberry and finish with a small dot of cream for his pompom. Repeat with all the strawberries and serve.

PIXBEE VIDEO SMART WATCH

Yaaass, smart tech and cool gadgets combine! You'll feel like a super spy with the new Pixbee smart watch – the coolest new accessory and must-have tech this summer. The 4G watch features a built-in two-megapixel camera, which means you can make video calls, send and receive texts from your friends, and take fun photos on the go! You can also keep all your fave contacts in one place so you'll never get stuck again.

Speaking of getting stuck... The Pixbee smart watch comes with neat GPS tracking and location sharing. If you're lost, your parents or guardians can use the Pixbee app to find you. And if you accidentally misplace your Pixbee watch (coz, yep we've all been there!) you can use the app to alert you of its last location!

COOL DEVICE

Now the tech side of things is pretty impressive, but we like all the other cool features, like the Step Counter (gotta get those steps in), and the fact that it's available in three rad colours (blue, pink and black). The best part? The Pixbee app is FREE to download on both Apple iOS and Android devices. You just need your own SIM card and you're set!

Pixbees are out now at all JB HiFi stores!
